Re: SOP Review - Medical Plan

Dear Major Slater:

The Medical Services Plan you submitted to be used at the Forsyth County Detention Center has been reviewed and approved in accordance with North Carolina G.S. 153A-225.

I would make the following recommendations:

- a) Update reference to CDC Treatment Guidelines for STDs on page 18. This can be found at CDC.gov or www.cdc.gov/std/tg2015/default.htm
- b) Update guidelines for Periodic Health Assessment on page 198. The PAP guidelines have changed
- c) An index be added to make navigating through the document easier
