BOARD OF COMMISSIONERS

MEETING DATE: NOVEMBER 30, 2017

AGENDA ITEM NUMBER: 7

SUBJECT: RESOLUTION AUTHORIZING APPLICATION FOR AN ADDITIONAL YEAR COMMUNITY GRANT FROM THE WINSTON-SALEM FOUNDATION FOR PROGRAM AND OPERATING ASSISTANCE FOR THE FORSYTH COUNTY STEPPING UP INITIATIVE TO REDUCE THE NUMBER OF PEOPLE WITH MENTAL ILLNESS IN JAILS

COUNTY MANAGER'S RECOMMENDATION OR COMMENTS: Recommend Approval

SUMMARY OF INFORMATION:

In November 2016, Forsyth County received a \$36,363 Community Grant from the Winston-Salem Foundation for program and operating assistance for the Stepping Up Process to End Recidivism (SUPER) project. The SUPER project focuses on women in the local jail with co-occurring mental illness and substance abuse/use issues.

The project seeks to provide each program participant with an after incarceration discharge plan that identifies support services in the community aimed at reducing recidivism. The female jail population was selected due to the relatively small number of female inmates and the more homogeneous nature of the issues involved.

The Winston-Salem Foundation is allowing the County to apply for an additional year of grant funding at a reduced percentage of the amount received in the original grant. The attached resolution seeks authorization to apply for an additional year of grant funding through the Community Grants program from the Winston-Salem Foundation in the amount of \$25,000.

The intent of these additional grant funds is to provide program participants with transitional housing, transportation assistance, and/or additional peer support services, which have been the areas most difficult to address during the past nine (9) months.
